OH EVERCLEAR

Melody - Oh Tannenbaum; Contributed by Tree Humper

Oh Everclear, oh Everclear,
You make me stagger and weave.

Oh Everclear, oh Everclear,
You make me choke and heave.

My eyes are blind, they cannot see,
My knees they buckle under me.

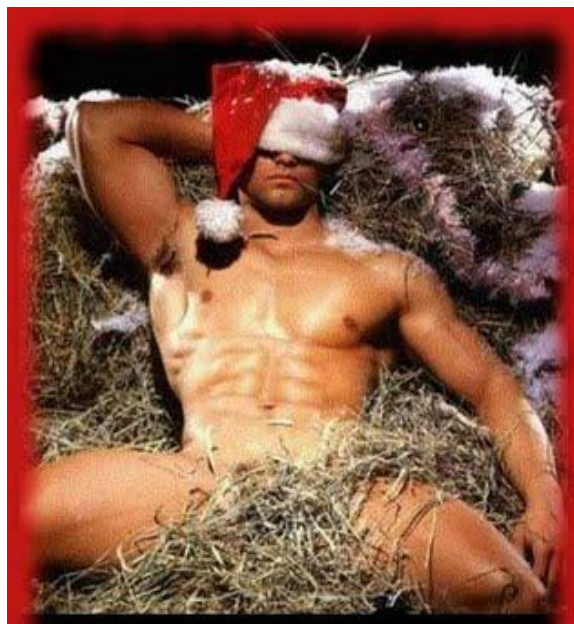

Oh Everclear, oh Everclear,
What would I do without thee?

CHRISTMAS CAROL

Melody - Silent Night

Sodomy, masturbate,
fellatio, copulate,
Round the world
and Hershey
highway,
Fornicating in the
hay,
These are tricks
that I lo-ove
These are tricks that I love.

Condom, prophylactic,
Spermicide does the trick.
IUD's and birth control pills,
Pull it out and let it all spill,
These will make it sa-afe,
These will make it safe.

MERRY HASHMAS

Melody - We Wish You a Merry Christmas

We wish you a merry Hashmas,
We wish you a merry Hashmas,
We wish you a merry Hashmas,
And a clappy New Year.

Bad tidings we bring,
About the drip and the sting,
We wish you a Merry Syphilis,
And a Happy Gonorrhea.

We wish you a Merry Syphilis,
We wish you a Merry Syphilis,
We wish you a Merry Syphilis,
And a Happy Gonorrhea.

DRUNKEN SANTA'S COMING TO TOWN

By Matt Rogers; Parody of: "Santa Claus is Coming to Town"

Who do you know with a liver
that's huge,

A big red nose and guzzles down
booze?

Drunken Santa's coming to town.

He's ringing a bell and holding a
cup.

Playing Santa Claus beats sobering
up.

Drunken Santa's coming to town.

He gets himself kicked out of bars
For passing deadly gas.

He came with two boots leaves
with three,

One wedged up his ass.

Dogs lift their legs to the jolly
drunk elf

But he doesn't care, he pees on
himself.

Drunken Santa's coming to town.

He likes to drink a six pack

And hang out at the malls

He'll give your kid a candy cane

That he used to scratch his balls.

(Burp)

He wears a red head, black belt
and a scarf.

His beard should be white

but it's covered with barf.

Santa's gonna show up.

Stagger 'round and throw up.

Drunken Santa's coming to town.

HO, HO, FUCKING HO

Melody - Jingle Bells; (Courtesy Monty Python)

(Chorus)

Ho ho fucking ho / What a crock o'
shit,

We all work for Santa Claus,

We've had enough, we quit.

Cos we do all the fuckin' work

while he stars in the show,

Stick yer Christmas up yer arse, ho
ho fucking ho.

And what about us elves,

we've had enough as well,

workin' in that freezing factory,

it's cold as fucking hell,

we work until we drop,

with our bollocks freezin' off,

stick yer Christmas up yer arse, ho
ho fucking ho.

(Chorus)

I'm Santa Claus' wife / I know
what he's really like,
sneakin' into them little kid's rooms
he's a fuckin' paedophile,
A devious old drunk, and I'm
married to the cunt,
So stick yer Christmas up yer arse,
ho ho fucking ho.

(Chorus)

RUDOLPH THE DEEP THROAT REINDEER

(Matt Rogers)

He's a homo a faggot and girls
don't affect him
Loves to stuff gerbils and fists up
his rectum.
Surely you recall the most limp-
wristed reindeer of all.

Rudolph the Deep Throat Reindeer,
Wore a skirt and panty hose.
And if you ever saw him
You would know at once he blows.

All of the other reindeer
Used to laugh and call him names,
They said he was a fag deer
And threw snow on him to kill the
flames.

Then one horny Christmas Eve
Santa had to say,
"Mrs. Claus is on the rag,
Suck me dry, you reindeer fag."

Now how the elves all love him
As they shouted out with glee,
Rudolph, you Deep Throat
Reindeer,
Will you please go down on me?

JINGLE BALLS

Melody - Jingle Bells

Jingle balls, jingle balls, jingle all
the way,

Oh what fun it is to run

`round naked in this way,

Jingle balls, jingle balls, jingle all
the way,

Oh what fun it is to run

`round naked Christmas day.

Dashing round the block,

not wearing any dacks,

One hand on your cock,

to give your balls more slack,

Bouncing up and down

as we run to and fro,

We'll jingle with our genitals

wherever we may go.

(Run in place - hand on crotch -
SING!)

Jingle balls, jingle
balls, jingle all the
way,
Oh what fun it is to
run

Jingle Balls around naked in this
way - AY!

Jingle balls, jingle
balls, jingle all
the way,
Oh what fun it is to
run
'round naked
Christmas day.

WIDE PENIS

Corrupted by Just Vida

I'm dreaming of a wide penis
It's just the thing to make me glow
When the tip it glistens
That's what I'm missin'
To squeeze, lick and give a blow

I'm dreaming of a wide penis
That makes me cum all fucking
night
Get the lube because it fits tight
Enormous, magnificent delight

Whips and Chains

Melody - Silver Bells; Contributed by Tree Humper

Walking sidewalks, city sidewalks
In her leather and heels,
In my pants there's a feeling
of stiffness.

Her name's Bambi, and it may be,
That tonight I might catch,
A face full of Bambi's pink snatch.

Whips and chains (whips and
chains),
Beat me lame (beat me lame),
My only pleasure is pain.
Crush my balls (crush my balls),
Make me crawl (make me crawl),
Bambi please make me your slave.

WE WISH YOU A DRUNKEN HASHMAS

Melody - We Wish You a Merry Christmas; Composed by Smoking Wiener, Rocket Shitty HHH

We wish you a drunken Hashmas,
We wish you a drunken Hashmas,
We wish you a drunken Hashmas
and a case of cold beer.

(Chorus)

Good tidings we bring to you and
your kin,
Good tidings for Hashmas
and a case of cold beer.

Oh, bring us some Jello shooters,
Oh, bring us some Jello
shooters,
Oh, bring us some Jello
shooters
and a keg of cold beer.

(Chorus)

We won't go until we get drunk,
We won't go until we get drunk,
We won't go until we get drunk,
on a full keg of beer.

(Chorus)

We wish you a drunken Hashmas,
We wish you a drunken Hashmas,
We wish you a drunken Hashmas
and a keg of cold beer.

JOY TO THE HASH

Melody - Joy to the World ; Corrupted by Just Vida

Joy to the Hash,
The beer has come,
Let's drink and all get
nude,
Let every drunken
wanker,
Avoid getting a canker,

Package check and
boobies too,
Debauchery and a cold
brew,
Take your clothes off,
Get your kilt on
and drink it down,
down, down, down,
down, down, down, down, down,
down, down, down...

I DON'T KNOW WHERE I AM

Melody - Winter Wonderland; Corrupted by Just Vida

At the hash / I
was drinkin',
And I sure /
wasn't
thinkin'.

Got totally
slammed,
And now I'll be
damned,

It's Hashmas and
I don't know where I am.

Had some beer, and jello shooters,
At some point, there were hooters,
I brawled in some bars,
And puked on some cars,
It's Hashmas and I don't know
where I am.

I remember running from a squad
car.

Knocking down a trash can as I
fled.

A girl said, "Are you drunk?"
and I said, "No, ma'am,
But you're so pretty will you give
me head?"

Lost my pants, now it's snowing.
Stumbling, I'm
unknowing.

Oh, what a night,
Man, am I tight,
It's Hashmas and I
don't know
where I am.

The Mistress Song

Melody: Chestnuts Roasting on an Open Fire; Corrupted by Just Vida

Your nuts tied up with a leather
cord,
Mistress tightening
your chains,
Your pink, well-warmed
ass paddled with
a board,
You live for these
exquisite pains.

Taking hurled insults gets you good
and hard,
Pre-cum running down your leg.
You love it when She calls you a
retard,
And chinks your ball-gag one more
peg.

You know that cumming is on its
way;

You're loaded up, and yeah, it's
really gonna spray.

She tells you what to do, and you
don't ask why.

And only with permission do you
dare reply.

And so I'm offering
this simple phrase,
To slaves from one to
ninety-two,
Although it's been said
many times, many
ways,
A very Merry Mistress
to you.
